

Winterstoke Hundred Newsletter – November 2022

Attendance

Thank you for your ongoing support of our focus on attendance this year, as we head into term 2.

The national data for attendance suggests that Winterstoke Hundred is likely to be in the top 5% of state schools in the country on this measure, and we are very pleased our students are taking this seriously. The research shows that this will correlate into your child's academic progress.

In our reports last year, we released percentile rank data for your child that shows their attendance relative to the rest of their Year Group.

Our aim is to release this data termly, for your information, and you should receive this email for your child in the near future.

Car Park

We fully appreciate the challenge in collecting children at the end of the day from the car park.

For the safety of everyone, could we ask that parents and carers please park in a regular parking space to collect, rather than waiting in the driving route.

As a further reminder, we also ask that the four accessible parking spaces (marked by the wheelchair symbol) are only used by those displaying a blue badge, even for short periods.

Sports Success

Year 7 Rugby have played their first ever fixtures for WHA, participating in close games against Worle, Priory and Hans Price Academy. The team are already showing great potential and will benefit from increased numbers at training ahead of further fixtures next term.

Year 9 Rugby have made a strong start to the year, travelling to Sidcot where they were split into two teams and played two 7-a-side matches. Both WHA teams took narrow victories in close games.

Winterstoke Hundred Newsletter – November 2022

Year 8 Rugby have had a good term with wins over Hans Price, Worle x2 and Priory. It's nice to see new students join the team and we are looking forward to more fixtures in term 2.

Post 16 Football

Our Post 16 football squad with Rob Cooper ahead of their recent 2-0-win v Millfield. Ron has kindly sponsored our new football strip. If any other parents have business that would like to provide similar sponsorship please email steven.holland@clf.uk.
