Information around careers in Construction - <https://www.goconstruct.org/>

EDF Energy

Hinckley Point C

YouTube playlist which holds all our Careers Insight and Apprenticeship related videos -

https://www.youtube.com/playlist?list=PLXeIrBe86r_Kg8-XGXzarZelevl3TyCGi

The videos highlight the wide range of jobs on offer at HPC, what it's like to be an Apprentice on site and features many of our fantastic colleagues from across the Project - a great resource for those wondering about what it is like to work at HPC.

The Hinkley Point C Virtual Insight programme - virtual work experience

The HPC Virtual Insight programme is flexible, completely student led, and the curriculum covers a HPC Project overview, insight into Apprenticeships and YHPC Programme, a practical assignment, Quizzes and a 'Q and A' session with Senior Leaders. Student certification will be issued on completion. Further information can be found attached but in essence please signpost to any Young People you know (especially those interested in Construction, Engineering, STEM, Hospitality). Access via: [Start](#)

Further information and enquiries www.edfenergy.com/hpceducationandskills

Onsite

On Site Bristol supports local people to get jobs and training in the construction industry and aims to help engage with potential apprentices within our City and support them to gain lifelong careers within the construction industry.
