IMPROVING THE PHYSICAL ENVIRONMENT OF THE CENTRE TO INCREASE ACCESS TO EDUCATION BY DISABLED STUDENTS	4
IMPROVING THE DELIVERY OF INFORMATION TO DISABLED STUDENTS	4

Introductory Statement

We are committed to providing an environment which values and includes all students, staff, parents and visitors regardless of their educational, physical, sensory, social, spiritual, emotional and cultural needs. We are further committed to challenging attitudes about disability and accessibility and to developing a culture of awareness, tolerance and inclusion.

The plan and other relevant policies can be made available in large print or another accessible format if required.

Background

Winterstoke Hundred Academy is a split site provision. One at Locking Parklands and one at Beaufigther Road. Our KS3 and KS4 students are predominantly based at Locking parklands and our Post 16 provision at Beaufigther Road.

Our Locking Parklands site is a 'new build' and as such is physically accessible.

The Cabot Learning Federation plans, over time, to increase the accessibility of provision for all students, staff and visitors to the following areas:

- Increase the extent to which disabled students can participate in the curriculum and access pastoral support
- Improve the delivery of information to students, staff, parents and visitors with disabilities

These will be reviewed as and when necessary. It is acknowledged that there will be a need for ongoing awareness training for all staff regarding disability discrimination and the potential need to inform attitudes on this matter.

The Accessibility Plan can be read with the following policies, strategies and documents:

- Winterstoke Hundred Academy website
- Equal Opportunities Policy
- Health and Safety Policy
- SEND Policy
- Supporting Students with Medical Needs Policy

The plan will be monitored through the school Senior Leadership Team and reviewed annually.

Welcoming and Preparing for Disabled Students

Where it is practicable to make reasonable adjustments to enable a prospective student to take up a place at Winterstoke Hundred Academy and to satisfy the current admissions criteria, the Centre is committed to providing those reasonable adjustments.

In order to meet the needs of disabled students, Winterstoke Hundred Academy requires full information at enrolment and guidance meetings. Winterstoke Hundred Academy will ask all applicants for admission to disclose whether they have received any learning support, have had an educational psychologist's report or have any disability or other condition of which Winterstoke Hundred Academy should be aware.

In assessing the pupil or prospective pupil, Winterstoke Hundred Academy may need to take advice and require assessments as appropriate. Winterstoke Hundred Academy will be sensitive to any issues of confidentiality.

Action Plan

The Plan will be monitored by the Principal of Winterstoke Hundred Academy and by the Academy Council. The plan is organic and will need adaptation and additions on a regular basis.

Increasing the Extent to which Disabled Students can Participate in Winterstoke Hundred Academy Curriculum and Access Pastoral Support

Action	Outcomes	Person responsible	Timeframe
Encourage alternative means of recording using laptops with specific software	Support the learning of all	IT/HOH	Annually & Ongoing
Ensure independent learning opportunities/activities are accessible for all students		SENCO	Annually & Ongoing
CPD and training to be offered for key staff teaching/supporting students with differing SEN needs	Improved knowledge of strategies and techniques to address learning needs	SENCO	Annually & Ongoing
Improve provision for EAL students in terms of technology		SENCO	Annually & Ongoing
Ensure students who are on bespoke timetables or not attending for authorised reasons, still have access to appropriate pastoral support	Student & parental feedback regarding pastoral support by Winterstoke Hundred Academy as outstanding	Heads of House / SENCO	Annually & Ongoing

Improving the Physical Environment of the Academy to Increase Access to Education by Disabled Students

Facilities to enable accessibility at Winterstoke Hundred Academy (site) include:

- There is marked accessible parking with room for two cars at the front of the site.
- There are two DDA compliant toilets in the main building.

Access to the curriculum and necessary adjustments:

- Technology will be employed to improve access to the curriculum for visually impaired students.
- Staffing levels and training to ensure all students can go on Academy trips.
- Continued training of staff to support students with SEND: dyslexia, visual impairment, hearing impairment, etc.
- The social needs of students with autistic spectrum conditions will be managed to ensure a stable educational experience and full access to the curriculum.

Individual student accessibility plans will be written as required.

Improving the Delivery of Information to Disabled Students

Action	Outcomes	Person responsible	Timeframe
Provide text in an easy-to-read format or large print or provide adapted photocopies as needed.	As required	Teachers	Ongoing
Ensure students have access to quality careers education, information, advice and guidance	CEIAG strategy in place	Heads of House and Careers coach	
SENCO/T & L lead to lead the quality provision. (Adaptive teaching strategies and resources).	Increased focus on meeting the needs of SEND students – student profiles/exam access	SENCO	Annually & Ongoing
SEND policy reviewed annually	Clear policy in place	SENCO	Annually & Ongoing
Improve the methods of communication to EAL students and their families especially re exams	Decrease in the number of students who miss or who are late for exams & unable to access the curriculum.	SENCO, Exams Officer & subject teachers	Prior to mocks
