Dear Parents, carers and students,

During Year 11 we have a focus on supporting students with post-16 applications and ensuring that everyone has access to up to date and relevant information to inform their choices.

We host post-16 assemblies from a variety of providers promoting a range of options including College, Sixth Form and apprenticeship routes. Every child in Year 11 will also receive a 1:1 session with Nigel Halliday, our careers advisor.

We can support students with their applications, but we strongly recommend families attend open day events in the community for their top choice selections. As a guide, all students in Year 11 should have made 3 applications to post-16 providers by the Christmas holidays. If you feel you would like support with this or would like any more information please do email nigel.halliday@clf.uk.

The information that follows outlines the P16 open evenings and events that you could attend. These are correct at the time of writing but we do recommend that you check with the website of the establishments that you wish to attend to confirm.

Yours faithfully,
