# What can you expect?

The day will consist of inspiring talks, workshops and panels made up of dentists and dental students from around the country.

## Hands on Dentistry

An opportunity to see some common dental procedures to gain an insight into the practical side of dentistry.

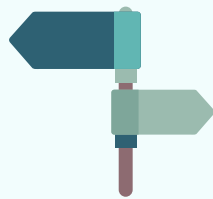

## Dental Specialties

We want you to know how exciting and diverse dentistry can be! Dentistry is so much more than just looking at teeth! We have a range of different dental specialists sharing why they love their areas!

## Journey into Dentistry

Be inspired by the dental students & dentists from all walks of life, who look forward to sharing their unique journey into dentistry with you.

## Day in the Life

Gain an insight into what it is really like being a dentist and Learn all about the typical working day as a dental student & dentist both privately and in the NHS!

## Applications

To apply for dentistry you must demonstrate a range of skills, including manual dexterity, academics and social skills. Our mix of speakers will cover all areas of the application process and give you lots of handy tips! Topics covered will include: preparing for your application, personal statement writing, entrance exams and interviews!

## Dental Students Q&A

We will have some incredible dental students studying all over the country to answer all of your budding questions about work experience, interview advice and life as a dental student.
