

Information for Students

Students will receive a Statement of Entry and an Individual Candidate Timetable. Students must check these very carefully to ensure that their entries are correct. If students have any queries regarding their entries, they should speak to the subject teacher/subject head and for any exam organisation queries, please speak to the Exams Officer.

By being entered for formal exams, students agree to abide by the regulations of the exam boards. Copies of the current Joint Council for Qualifications (JCQ) regulations are shown below. Students must read these carefully and note that any break in examination rules or regulations could lead to disqualification of some or all qualifications. The school must report any breach of regulations to the relevant awarding body.

Exams **cannot** be rescheduled. Medical evidence will be required from a doctor or hospital if students are too unwell to attend an exam. If they are delayed or unable to attend an exam through illness, they must contact the absence line immediately and get a message to the Exams Officer.

If any problems arise during the exam season, students should speak to the appropriate person as soon as possible:

Exams Officer: exams@wha.clf.uk

Exam Contingency dates for 2025 are:

Wednesday 11th June - afternoon

Wednesday 25th June - whole day
