Welcome

Prepare to excel at Winterstoke Hundred

Introducing Winterstoke Hundred Academy...

Dear Parent/Carer,

As Principal of Winterstoke Hundred Academy, it is my absolute pleasure to welcome you to our academy, and to thank you for taking an interest in us.

We are the newest secondary school in Weston-super-Mare, and opened in September 2020 to our first students in Year 7 and our Post 16. As a smaller scale provision, we know our students well, and provide excellent pastoral support through our highly committed tutors, and our experienced Heads of Year.

As part of the highly-successful Cabot Learning Federation family of schools in North Somerset, we benefit from the experience and support from colleagues, and are able to share staff and facilities to support students' learning.

We are fortunate to enjoy a recently-built, state-of-the-art building, and can boast excellent resources, including modern science facilities, an open and welcoming environment, and a 3G sports pitch that is regularly used by our community. We have excellent access and infrastructure around the site, and are easily reached from most areas of Weston.

Learning is at the heart of what we do. Our curriculum is designed to be broad and balanced, and we deliver a range of subjects that give students excellent continuity from primary school, as well as setting them up well for the challenges of Key Stage 4 and 5, and beyond. We practise learning habits that will become embedded in their attitude to study, as well as learning the key skills of punctuality, attendance, resilience, determination, and mutual respect. We help students understand that the learning skills they develop with us will enable success in whatever they choose to do in the future.

We believe deeply in the capacity of all students to succeed. We see learning as part of a progression, not from primary to secondary, but from birth to adulthood, and the concept of lifelong learning is something that we all, at Winterstoke Hundred, embrace. We are committed to equality and equity, and work tirelessly to ensure that all students, whatever their background or characteristics, fulfil their potential.

Opening the academy has been a privilege; I am enormously proud of my team at Winterstoke Hundred, but also very grateful and appreciative of the ongoing support and belief that our community have already invested in us.

Whichever school your child attends in September 2022, I wish them the very best success. Education in Weston-super-Mare has never been in such a positive place, and we are very pleased to play our part in that educational landscape.

If you have any questions at all, please do not hesitate to get in touch.

Ian Garforth
Principal

**Cabot
Learning
Federation**

WHA

Welcome to the Cabot Learning Federation (CLF)

Our partnership is sponsored by Rolls-Royce PLC and University of the West of England (UWE).

Our Federation consists of over 20 academies in Bristol, South Gloucestershire and North Somerset: eight secondary and nine primary academies; one all-through academy; overarching Post 16 provision; a Studio School; and a suite of alternative provisions. Together we educate over 12,000 children between the ages of 3 and 19 and the Federation enjoys steady growth.

We are proud that every CLF academy has shown marked improvement, as identified by Ofsted and pupils' outcomes. Our work is changing the educational landscape across the region; in the Federation we believe that pupils come first and that every child can find a route to happiness, prosperity and success.

The Federation was created to enable staff to work more closely together to deliver the best education possible for the students who attend our academies. We are proud of the improvements we have seen in pupil outcomes and more of our students than ever before have qualifications that compare favourably with other young people across the South West. This has enabled us to develop a Federation

CLF CORE PURPOSE

				
Maintain High expectations in all we do, ambitious for ourselves, our communities, and our environment.	Create Equity of opportunity, promoting inclusion, removing disadvantage and rejecting discrimination.	Champion the success and life chances of All children .	Furnish pupils and staff with the Resilience to succeed as lifelong learners.	Harness our Togetherness to achieve more, collaborating proactively in seamless unity.

Sixth Form, with over 800 students staying in full time education after their GCSE courses have finished in Bristol, South Gloucestershire and North Somerset.

As a partner in the Five Counties Teaching School Hubs Alliance and as a National Maths Hub, we are at the heart of a network of over 900 schools across our region. We also have School Centred Initial Teacher Training (SCITT), which means we train and accredit our own teachers, recruiting the best people into the profession and supporting them throughout their careers.

Winterstoke Hundred Academy is a key partner in our family of CLF schools. Please do take the

opportunity to get to know the school, its staff and the Principal, Ian Garforth.

Our vision is simple: we believe that by working together rather than in isolation we can be an Educator of Choice for pupils and their families. Our commitment to high expectations and standards, a joy-filled contemporary curriculum and excellent teaching means that we can create more opportunities for the lifelong success for our pupils as they become young adults.

Mr Steve Taylor
*Chief Executive
Cabot Learning Federation*
