Dear Parent/Carer,

Welcome to Winterstoke Hundred Academy!

We are delighted to confirm that your child has been allocated a Year 7 place with us for September. Thank you for choosing Winterstoke Hundred Academy for your child's secondary school education; we are very much looking forward to welcoming them into our school community.

At Winterstoke Hundred Academy, we are committed to ensuring an excellent transition from Year 6 into Year 7. We recognise that, alongside the excitement of starting secondary school, there may naturally be some nerves for pupils, parents and carers. Our transition programme will include opportunities for us to visit primary schools and for your child's Year 6 teachers to be involved in the process.

We will be visiting our feeder primary schools to gather as much information as possible about your child so that when they join us in September, we will already have a strong understanding of their needs, strengths and interests.

We look forward to getting to know you and will be sending out further details about our school and our transition plans very soon. Please keep an eye on your emails for updates.

Best wishes,
